## Trade Fairs = New Stuff

In the past few weeks we attended 2 trade fairs looking for stock ideas. We placed many orders and deliveries have already started to arrive. Here is a selection of recent arrivals. Check out our stuff...

### Linen Tester / Stamp Scope

Unfold and sit on a stamp or similar small item to examine details. Has a 10mm scale for reference within view. All metal and glass construction. Folds up very small: 13mm x 35mm x 23mm \$29.95

### Wine Saver, Coffee Saver, Nut Saver

New models and old favourites from Vacuvin. Pump the air out of an opened wine bottle to extend its shelf life. Store coffee, nuts or other foods under vacuum to prevent the oxidation which detracts from the flavour. Various shapes and sizes.

### Tinplate Toys

A new batch of tinplate toy robots, childrens' toys, collectables and gadgets is expected soon. There is something so nostalgic about tinplate robots and other toys. \$5 to \$150

### Brass Pocket Telescope

25x35 monocular scope, 4 sliding brass stages. As used by pirates of yore. Quality glass lenses to produce a clear image.

Includes vinyl case and tabletop tripod. \$79.95

### Skoona Moova

#### Jack of All Trays

Plastic palm sized fold out tray for carrying 4 beers or coffees in one hand. Will hold schooner or middy glasses, regular or large

takeaway coffee cups, and plastic cups. \$7.95

### The Complete Fishing Bible

Everything you need to know about fishing in Australia, with boating and tackle tips, information about the bests rods to use, fishing identification and recipes. Full colour photography in this 400 page large format hardcover. \$49.95

### Star Wars Lego AT-AP Walker

All Terrain Attack Pod of the Republic! Extend the retractable stabilizer leg, open the roof or side doors to access the cockpit, top-mounted heavy blaster cannon. Includes 2 clone troopers. Lego#7671 \$69.95

### Jigsaw: Planet Earth Photomosaic

1000 piece puzzle. Completed size is 73cm x 48.6cm. Photomosaic jigsaws are where the picture is made up from many many tiny images. \$29.95

### Doctor Who The Time Travelling Action Game

Locate and defeat the Doctor's foes. Time is unstable, however, and so as the board spins and shifts the continuum, your enemies reappear in different dimensions! Electronic revolving game board, Tardis model with light and sound effects. \$69.95

### Blast Match Firestarter

The best firestarter we have come across. Spring loaded rare earth flint bar with embedded tungsten carbide striker. Single handed operation. Works even when wet. Made in USA, this is a quality outdoor tool. Produces a spectacular shower of sparks. \$49.95
