**Akumulate** The mathematical family strategy game, an intersection of spatial and numerical thinking. Addictive number crunching fun – like Scrabble with numbers. \$49.99

**Hangman** Remember classic hangman played on the school blackboard? This is a 3D version. Guess the phrase before it is too late for the man. Gamepad, gallows, noose and six piece man to hang. \$24.95

## Wacky Alarm Clocks

These digital alarm clocks will ensure you wake properly because they do not shut up easily. They will certainly wrestle you from the depths of your slumber.

### Puzzle Alarm Clock

When the alarm sounds, it also ejects the puzzle pieces. The only way to shut it up is to solve the puzzle. Not a hard puzzle, but the pieces may have scattered around your room. \$39.95

### Flying Alarm Clock

We have had this one before but now it is much cheaper. Time flies! When this alarm goes off, the helicopter unit launches and flies around your room. To turn it off, you must retrieve it and return it to the base. \$29.95

### Laser Target Alarm Clock

The little red man holds up a large target and the remote control incorporates a laser pointer. When the alarm goes off, you need to aim carefully because only a hit on the centre bullseye will turn off the alarm. \$39.95

### McLaren-Mercedes Alarm Clock

Displays a mounted scale model and features an alarm that is an actual recording of the original engine racing up through its 6 gears. Play with the inbuilt accelerator pedal to rev the engine. \$99.95

## Rescue Knives

Rescue knives are used by rescue crews, especially at car crashes, and also by corrective service officers and psych nurses dealing with suicides. These knives cut well but stab bluntly. Both are folding lock knives, featuring single hand opening and closing, hardened glass break point, lanyard hole, belt clip, and a blunt tip on the serrated blade to avoid mishap if dropped.

**Pacific Rescue Knife S** \$29.95

An affordable safety tool - keep one in your car.

**Spyderco Rescue Knife Assist** \$195.00

Squeeze the blade into the handle to extrude the glass break, or to snip climbing rope which it holds firmly for single hand cutting. It even has a whistle built into the high visibility handle.

## Aussie Muscle Cars

Rough welded steel models of these well loved cars. Not scale models, but very much in the spirit of the classic cars.

Each approx 30cm long.

Range includes:

Holden Monaro HQ

Holden Monaro HK

Holden Torana LJ

Valiant Charger VH

Ford Falcon XC Cobra

Ford Falcon XW GT

\$79.95 each.

## New Blokey Books

### Australia's Worst Disasters

Malcolm Brown and others examine some of the worst human dramas that we have witnessed in Australia, looking at not only what happened, but often how tragedy could have been avoided. Cases include Cyclone Tracey, the West Gate Bridge Disaster, the Ash Wednesday bushfires, the Thredbo landslide, the demolition of the Royal Canberra Hospital, the 1998 Sydney-Hobart yacht race and the Sea King helicopter disaster. \$19.99

### Building a Better Bloke

Become a man women want.

You're a great bloke, right? So why can't you get a date? Sam sets you straight on what attracts women and keeps them interested. It turns out Mum was right - grooming and manners are important. Not another book about

how to be a pick-up artist or a stud - being a man and attracting women is about getting engaged with life and building your self-esteem. \$24.95

### James Halliday Australian Wine Companion 2009

Updated and revised edition with tasting notes for 5778 wines. Lists and profiles of 1661 wineries, including 169 new wineries from last edition. This is the definitive guide to Australian wine. \$34.95

### Beneath the Dardanelles

The Australian submarine AE2 achieved a daring passage through the Dardanelles on 25 April 1915. Her mission to 'run amuck' ended after five days in the Sea of Marmara when she was caught by the Turkish Sultanhisar torpedo boat. This tells AE2's story from

both the Australian and Turkish perspectives, and features extracts from the memoirs of the two captains. The submarine's wreck was rediscovered in 1998 and is now under Turkish control. \$24.95
